## **EXECUTIVE SUMMARY**

The Embu County Tourism Bill, 2015 has been made pursuant to provisions of Article 185 (2) part 2 (4) of the Constitution of Kenya, 2010 which confers powers to the County Government to make legislation through county assemblies.

The Bill was tabled in the house for the first time on 27<sup>th</sup> February 2018 and consequently committed to the committee on Trade, Tourism, Investment and Industrialization for examination and scrutiny. Thereafter the committee embarked on planning for public participation forums as enshrined in the law of the land. This report therefore arises from the obligation imposed on the County Assemblies in Article 196 (1) (b) of the Constitution of Kenya, 2010, Section 6 (6) of the County Government Act, 2012 and the Embu County Assembly Standing Order No. 134(4). The constitution provides for public participation and involvement of the public in legislation at the county levels.

The Bill was subjected to public hearing forums in the four sub-counties to hear and receive opinions of the members of the public on the proposed Embu Tourism Bill, 2018. Public hearings were held on 12<sup>th</sup> and 13<sup>th</sup> March, 2018 at Mbeere North and Runyenjes Sub-counties and Mbeere south and Manyatta sub-counties respectively.

Although the public participation forums did not elicit a lot of public interest, members who turned up gave opinions and made their views known to the committee.

The proposed Bill provides for a legislative framework for purposes of promoting development of local tourism in Embu County.

The committee therefore wishes to present this report emanating from the observations with key recommendations before the County Assembly for adoption and subsequent implementation.

## **1.0 BACKGROUND.**

This report is made on behalf of the members of the Trade, Tourism, Investment and Industrialization committee compiled to address issues raised by the committee after consideration of the opinions raised during the public participation forums held in the sub-counties in regard to the proposed Embu County Tourism Bill, 2018.

The Embu County Tourism Bill, 2018 was drafted by the County Executive committee member for Trade, Tourism, Investment and Industrialization and forwarded to the County Assembly. The Bill went through the prerequisite steps of publication in the County Gazette as outlined in Standing Order No.134 (4) of the County Assembly of Embu. The first reading of the Bill was done in the Assembly on 27<sup>th</sup> February, 2018 pursuant to Standing Order 134 and subsequently committed to the committee on Trade, Tourism, Investment and Industrialization pursuant to Standing Order No. 134(1).

The committee subjected the Bill to public hearing forums in the four sub-counties to hear and receive opinions from the members of the public on the proposed legislation. Public hearings were held on 12<sup>th</sup> and 13<sup>th</sup> March 2018. The public forums did not elicit a lot of public interest but the opinions and issues raised were noted and considered by the committee.
