EXECUTIVE SUMMARY

Pursuant to **Standing Order 204** of the County Assembly of Embu Standing Orders, the Committee on Administration and Public Service was tasked to look into the petition presented by Taratisio Ileri Kawe which was read on 4th October, 2018 and subsequently committed to the Committee.

The Committee according to the Standing Orders No. 217 had a period of not more than forty five calendar days to respond to the Petitioner and lay the report on the table of the Assembly.

Section 15 of the County Governments Act 2012 provides that a person has a right to petition a County Assembly to consider any matter within its authority, including enacting, amending or repealing any of its legislation. The Committee interrogated the issues raised in the petition which were purely legislative. The Committee further invited the CEC Member for Public Service and Administration to shed light on the issues and observed that the department of Public Service and Administration had formulated a legislative proposal on village administration which was awaiting cabinet approval. The committee recommended that the CEC Member fast track the process and ensures that public participation is carried out before the legislative proposal is submitted to the County Assembly.

In dealing with the matter, the committee held several meetings to deliberate on the matter.

Upon deliberating in the said sittings and interrogating the documents submitted to it, the committee came up with a report in response to the petition as provided for under the **Standing Order 217 (2)**
