## **EXECUTIVE SUMMARY**

The Embu County Investment and Development Corporation Bill, 2018 has been made pursuant to provisions of Article 185 (2) part 2 (4) of the Constitution of Kenya, 2010 which confers powers to the County Government to make legislation through county assemblies.

The Bill was tabled in the house for the first time on 27<sup>th</sup> February 2018 and consequently committed to the committee on Trade, Tourism, Investment and Industrialization for examination and scrutiny. Thereafter the committee embarked on planning for public participation forums as enshrined in the law of the land. This report therefore arises from the obligation imposed on the County Assemblies in Article 196 (1) (b) of the Constitution of Kenya, 2010, Section 6 (6) of the County Government Act, 2012 and the Embu County Assembly Standing Order No. 134(4). The constitution provides for public participation and involvement of the public in legislation at the county levels.

The Bill was subjected to public hearing forums in the four sub-counties to hear and receive opinions of the members of the public on the proposed Embu County Investment and Development Corporation Bill, 2018. Public hearings were held on 12<sup>th</sup> and 13<sup>th</sup> March, 2018 at Mbeere North and Runyenjes Sub-counties and Mbeere South and Manyatta sub-counties respectively.

Although the public participation forums did not elicit a lot of public interest, members who turned up gave opinions and made their views known to the committee.

The proposed Bill provides for the establishment of legal institutional framework for promotion and co-ordination of investment and development and for connected purposes.

The committee therefore wishes to present this report emanating from the observations with key recommendations before the County Assembly for adoption and subsequent implementation.

## **1.0 BACKGROUND.**

This report is made on behalf of the committee on Trade, Tourism, Investment and Industrialization. The committee compiled the report to address issues raised by the committee after consideration of the opinions raised during the public participation forums held in the sub-counties in regard to the proposed Embu County Investment and Development Corporation Bill, 2018.

The Embu County Investment and Development Corporation Bill, 2018 was drafted by the County Executive committee member for Trade, Tourism, Investment and Industrialization and forwarded to the County Assembly. The Bill went through the prerequisite steps of publication in the County Gazette as outlined in Standing Order No.134 (4) of the County Assembly of Embu. The first reading of the Bill was done in the Assembly on 27<sup>th</sup> February, 2018 pursuant to Standing Order 134 (1) and subsequently committed to the committee on Trade, Tourism, Investment and Industrialization.

✓ The committee subjected the Bill to public hearing forums in the four sub-counties to hear and receive opinions from the members of the public on the proposed legislation. Public hearings were held on 12<sup>th</sup> and 13<sup>th</sup> March 2018. The public forums did not elicit a lot of public interest but the opinions and issues raised were noted and considered by the committee.

The Embu County Investment and Development Corporation Bill, 2018 provides for a legislative framework for purposes of Investment promotion and development in Embu County. The committee successfully examined the Bill and made observations and came up with a raft of recommendations contained in this report.

The committee sought views from the public from the forums held in the Mbeere North sub-county at Siakago Social Hall and in Runyenjes Sub-County at Runyenjes Social hall on 12<sup>th</sup> March 2018. On 13<sup>th</sup> March, 2018 views were collected from the Public in Mbeere South Sub-County at Kiritiri Constituency Development Fund hall and Manyatta sub-County in Embu social hall. The committee received the views of the public pursuant to provisions of the Article 196 (1) (b) which provides for facilitation of public participation and involvement in the legislative and other business of the Assembly and its committees.

Section 6 (6) of the County Government Act, 2012 envisages that in exercising its powers or performing any of its functions, a County Government shall ensure efficiency, effectiveness, inclusivity and participation of the people.

The Standing Order No.134 (4) of the County Assembly of Embu provides that the Sectoral Committee to which a bill is committed shall facilitate public participation and shall take into account the views and recommendations of the public when the committee makes its report to the County Assembly.

The committee received public views in the following manner;

1. Views submitted during the public forums
2. Written views from public on a tool designed by the committee.

## **2.1 SUMMARY OF THE VIEWS AND OPINIONS AS RECEIVED FROM THE PUBLIC**

1. The process of dissemination of the bill to public was not effective. The County assembly to provide for alternative way of distribution of copies of the bill and policies.
2. Under clause 7, on qualification for appointment as a Chairperson or member of the Board there was concern that the qualifications were high.
3. Under clause 7(c), on the issue of knowledge and experience either in the public or private sector of at least ten years, there was concern that the young generation may not have such experience yet they were interested in becoming board members.

## **2.2 COMMITTEE RESPONSES ON MATTERS RAISED BY MEMBERS OF THE PUBLIC**

**The committee responded on the above concerns/opinion as follows:**

- That copies of the bills and any other information from the county assembly could be accessed from the Communications Office, MCAs ward offices or can be downloaded from the Assembly's website; [www.assembly.embu.go.ke](http://www.assembly.embu.go.ke).
- That Members observed that running such or managing such a corporation requires a person of higher qualification and hence the stated qualification should not be lowered.
